

# CORRECT ANSWERS TO THE PRESCRIPTION MEDICINES AND OVER-THE-COUNTER MEDICINES QUIZ

1. R

2. R

3. R

4. W; Over-the-counter medicines are used when the symptoms are clear, mild, and temporary and can be identified by yourself.

5. W; Both prescription and over-the-counter medicines are effective.

6. R

7. W; Both prescription and over-the-counter medicines have adverse reactions.

8. R

9. W; Over-the-counter medicines do not suit everyone, and their use may sometimes also be harmful, so you must always read the instructions for over-the-counter medicines, too, before taking the medicine.

10. R
